Warmer Weather

As the weather starts to warm up, fingers crossed, please can we ask you to start sending your child to school with appropriate sun protection ie: sun hat (please ensure they are clearly labelled so they don't get lost) also ensure you put sun lotion on them before coming to school.
Thank you for your co-operation.

School Dinner Menu

The new dinner menu is now running on a three-week cycle.
A printed copy is available to on the notice board in the main playground.
An online version is available to view on the school website
www.seslton.notts.sch.uk
Please don't hesitate to ask for a copy if you should need one.

We will be on call for 2 days following the last day of term in case a child or staff member tests positive and Track and Trace deem that person to have been infectious when they were last in school.

In this case, we would then need to contact the rest of the bubble to inform them to self-isolate.

If any child tests **positive up to Sunday 30th May**, then please contact the School's email at office@selston.notts.sch.uk and a member of staff will be available to contact you regarding the COVID results.

We will then notify other parents/carers accordingly via email. Please **do not** use the class Seesaw or Parent mail for this purpose, only use the email address above

Finally ~

We apologise for the length of time it has been between newsletters, due to COVID, there hasn't been much news to advise you of recently.

We hope you all stay safe and look after each other.

Until next time, take care! And enjoy the half term.
